

FOUR WINDS VINEYARD

About Four Winds Vineyard

We are a micro-winery with a winemaking philosophy of minimal intervention. Almost everything in the vineyard is done by hand: from shoot-thinning and leaf-plucking to pruning and picking. If you look around the cellar door there are lots of recycled materials: our wine barrels in the light fittings and cladding on the bar, Canberra red bricks in the wall at the eastern end of the building, our wooden picking bins cladding the building and vineyard posts as the wheel stops in the carpark.

The vineyard's photography series of labels has won three international design awards and you can see the vineyard's activities regularly on social media.

The vineyard was planted over 25 years ago and started out as a contract vineyard selling grapes to other wineries and keeping only a small amount for the Four Winds Vineyard label. Slowly the family has retained more grapes to go into the Four Winds Vineyard label with the eventual plan to retain the full crop.
