

FOUR WINDS VINEYARD

About Four Winds Vineyard

We're a micro-winery and almost everything in the vineyard is done by hand — shoot-thinning, leaf-plucking, pruning and picking.

You can see we have repurposed things from the vineyard and winery throughout the cellar door: wine barrels in the light fittings and bar cladding, Canberra red bricks in the eastern wall, wooden picking bins cladding the building and old vineyard posts standing in as wheel stops in the carpark.

Our label's photography series has won three international design awards and you can follow the vineyard's day-to-day activities on social media.

Planted over 25 years ago, the vineyard began as a contract grower, selling fruit to other wineries and keeping only a small parcel for the Four Winds Vineyard label. Over time, the business has grown and we have retained more of the crop each year.

2023 Sparkling Riesling

STAR JASMINE, APPLE BLOSSOM

Glass 14 / Dine-in Bottle 57

Wine Club Glass 11.90 / Dine-in Bottle 48.45

Owner and winemaker, John Collingwood, spent a vintage making wine in Geisenheim, Germany — surrounded by sparkling Riesling. When he got home, we went looking for the Aussie versions. Turns out we could only find three - and one had already sold out. So we thought we would make our own. Riesling's perfect for it — all that refreshing, citrusy character just made with the fun of bubbles.

2024 Riesling

LEMON, GREEN APPLE

Glass 14 / Dine-in Bottle 57

Wine Club Glass 11.90 / Dine-in Bottle 48.45

When we planted our first Riesling back in 1998, it was under the guidance of BRL Hardy, one of Australia's largest wine businesses at the time. Lucky for us, they pushed us to plant plenty of it — Riesling turned out to be perfectly suited to the soil and climate here in the Yass Valley. The result is a wine with lovely citrus character, followed by a burst of blossom and green apple.

2022 Chardonnay

SANDALWOOD, WHITE PEACH

Glass 14 / Dine-in Bottle 57

Wine Club Glass 11.90 / Dine-in Bottle 48.45

Chardonnay can get overlooked for flashier, harder-to-pronounce new varieties — but it's a versatile, high-performing grape that's earned its place. It can be made oaked or unoaked; this one has spent some time in French oak, adding a little depth and roundness. With juicy white peach flavours front and centre, it's a real crowd pleaser.

2026 Shiraz Rosé

RIPE STRAWBERRIES, FLORAL NOTES

Glass 14 / Dine-in Bottle 55

Wine Club Glass 11.90 / Dine-in Bottle 46.75

With this wine, we're always chasing the same style: light, fresh, and full of fruit. It starts life as Shiraz grapes, but unlike a red wine, it doesn't spend any time sitting on the skins — the fruit goes straight from vineyard to press, gently separating juice from skin. A touch of sweetness rounds it out, making it perfect for warm afternoons, good cheese, and good company.

2022 Sangiovese

WILD STRAWBERRY, SWEET CHERRY

Glass 14 / Dine-in Bottle 57

Wine Club Glass 11.90 / Dine-in Bottle 48.45

Sangiovese wasn't part of the original plan at Four Winds — but this classic Mediterranean variety turned out to suit our growing conditions perfectly, and the kind of food and wine Australians love to share. Light-bodied and refreshing, with bright cherry character running through it, this is a wine that's easy enjoy.

2022 Tempranillo

RED CHERRY, BOYSENBERRY

Glass 15 / Dine-in Bottle 62

Wine Club Glass 12.75 / Dine-in Bottle 52.70

Our first Tempranillo was made in 2019, the year Kyeema Vineyard joined the business. It's a small parcel — just two rows, and only around 800kg harvested each year — but what it lacks in quantity, it makes up for in quality. This Mediterranean variety is medium-bodied and made for the table, equally at home alongside a long lunch as it is a Sunday roast.

2022 Cabernet Merlot

CASSIS, WILD STRAWBERRY

Glass 14 / Dine-in Bottle 56

Wine Club Glass 11.90 / Dine-in Bottle 47.60

Merlot's reputation took an unfair hit after the movie 'Sideways' back in 2004 — but done well, it's a juicy, fruit-filled wine that deserves better. Here, it plays the perfect partner to Cabernet: the Cabernet brings dark fruit and firm structure, cool climate through and through, while the Merlot softens it out with bright, generous flavour.

2025 Shiraz

BLACKBERRY, VIOLET

Glass 15 / Dine-in Bottle 65

Wine Club Glass 12.75 / Dine-in Bottle 55.25

Shiraz is something this region — and we — grow well. Our '22 won Best Shiraz at the Australian Single Vineyard Wine Show, and our 2023 took out the Jimmy Watson Memorial Trophy for Best Young Red. Good signs we're heading the right way. The grapes come from our Kyeema Vineyard, a twenty-minute tractor drive away, grown from a Penfolds clone. Expect an elegant wine with silky tannins and warm spice from French oak.
